STARS Connect

With STARS Connect, you can manage your event without ever leaving your seat. Our app relieves the stress of time, space and language barriers by connecting planners and hotel teams on any web-enabled device in real time, 24/7. And it creates more time to empower, showcase and personalize every event from planning through billing.

▶ A personal invitation link will be sent to you three days prior to the start of your event

Contact your meetings/events manager for more information about our mobile app benefits.
