How To Fluff Garland

Directions:

1. Take garland out of the box and straighten any bends.
2. Ensure that the garland spine is facing downwards.
3. Begin fluffing by working your way from one end to the other.
4. Shape each tip of the garland in the same direction and lift to create layers of foliage.
5. After shaping, check your work and adjust any stray tips.
6. Enjoy your beautiful garland!
